

TIGPS- Raniganj Newsletter

JULY 2024

Awakening is a continuous journey of discovery, growth, and enlightenment. Awakening is the freedom that comes from realizing our inner potential—personal, intellectual, emotional, spiritual, and social.

We are committed to fostering holistic awakening in our institutions, encouraging curiosity, nurturing talents, and vigorously pursuing dreams. For students, awakening means recognizing their unique strengths and interests, exploring new subjects, engaging in extracurricular activities, and challenging themselves to achieve new dreams.

As we embrace holistic growth, let us strengthen our belief in the power of an open mind and a willing spirit. In learning, personal growth, or community engagement, awakening unlocks boundless possibilities and transformative experiences. Together, let us awaken to the limitless potential within each one of us.

VALUE OF THE MONTH : AWAKENING !!

Machilakath Abdul Rahim, an Indian from Kerala had spent 18 years in Saudi prison. In a rare show of benevolence and solidarity, Hindus, Christians and Muslims came together to raise Rs 34 crore needed to secure Rahim's release from prison and send him back home. It was an apt Eid-Vishu gift, as the holy month of Ramadan coincided with Vishu, a Hindu festival celebrating Malayalam new year. **Hands raised in prayer for saving life of an Indian** shows the power of unity and compassion. Rahim's mother, Fathima, who has not seen him since the day he left in 2006 is waiting with bated breath for her son's homecoming.

School Activities

AMBEDKAR JAYANTI

Ambedkar Jayanti was celebrated to commemorate the birth anniversary of Dr B R Ambedkar. The students performed a small skit giving us a beautiful life sketch of this great Leader and his works.

SCIENCE EXHIBITION

Students from Class III to Class XII participated in a Inter house Science exhibition. Various colourful and interesting models were made by the students and presented by them. Models of Solar System, Reservoir Dam, Respiratory System, Volcanoes were worth mentioning.

BENGALI NEW YEAR CELEBRATION

Students presented a marvellous program with songs, skits, dances and recitations to welcome the “Poila” or first day of the Bengali month Baisakh, which is marked as the Bengali new year and embraced the new year with love, new hopes and lot of good wishes.

KOBI PRONAM

Students celebrated the birthday of the legendary poet, author, philosopher, the nobel laureate- “The Bard of Bengal” – Rabindranath Tagore with amazing performances like songs, dance- drama and recitation.

POSTER MAKING COMPETITION ON EARTH DAY

The Earth Day was celebrated, where the students were motivated to design beautiful posters to show their care and affection towards our Mother Earth. Students from classes IV to VII participated in the competition. Winners were awarded certificates for their work.

Eco-initiatives & CSR

TREE PLANTATION DRIVE - *The students planted saplings of mango, gauva , jackfruit and some flower plants in the school campus to make it look greener. They also distributed some saplings to the neighbouring people to spread the message more effectively.*

SAVE SPARROW PROJECT – *Students collaborated with the GREEN CLUB of Raniganj to put up sparrow nests in the big trees and participated in discussion about the preventive measures and taking care in increasing the number of sparrows in cities. They also prepared posters and walked in a rally.*

WATER DISTRIBUTION PROGRAMME-
This program was organised by the students of the school where they distributed cool water to the passerby, drivers, auto and cab drivers during the severe heat wave to make them feel comfortable and spread awareness for staying hydrated.

IMPORTANCE OF PHYSICAL EXERCISE-
Students along with the physical education teacher arranged an awareness workshop at our school where importance of physical exercises/ yoga were explained and also importance of balanced diet was discussed. Students of neighbouring schools also participated in the Yoga and Zumba sessions.
