

## Message from the Managing Director

The words 'We the People' incredibly embodies the spirit of unity and inclusion. We consistently create an environment where everyone is valued, every voice is heard, and where each individual contributes to the vibrant tapestry of the institution, daring to envision a world where everyone belongs, to bring about a positive change in the society. Unity is not just about standing together; it is about lifting each other up, recognizing that we are stronger when we work together.

Dear students, as you journey through school and beyond, remember that your unity is your strength. Celebrate each other's successes, learn from challenges, and always be willing to stand together. There is no limit to what we can achieve. I wish this newsletter a great success.

## Value of the month- We the People

Delhi-based school student Suhani Chauhan recently received Pradhan Mantri Rashtriya Bal Puraskar for Innovation, from President Droupadi Murmu on Independence Day, 2024. A student of Class VIII, Suhani received the highest honour for children and youth for her path breaking innovation 'So-Apt'. So-Apt is a multi-function solar energy powered vehicle for agricultural use, with zero carbon emission to benefit small farmers. The vehicle can be used for seed-sowing, spraying, irrigation, hole digging etc which make it high on utility using renewable energy. If each one of us use the power within us to positively impact our community, town, or nation, 'We the people' can transform our society and take our nation forward.

# School Activities

## INDEPENDENCE DAY CELEBRATION

For to be free is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others"- Nelson Mandela. The 78th Independence day was celebrated with a overwhelming feeling of patriotism and love towards our motherland. The program started with Flag hoisting , march past by the four houses , yoga and drill performance and ended with singing our national anthem.

### HEALTHY FOOD DAY

Our pre primary children from PG to KG participated in this event where these little toddlers brought fruits in well decorated baskets to remind everyone that "An apple a day keeps the doctor away."

### FOLK DANCE COMPETITION

Selected students from the four houses participated in the energetic folk dance competition thereby bringing up the culture and ethos of that particular place which they represented. The zeal of the students could be seen through their ear-to-ear smile.

# Eco-initiatives & CSR

## || ADWITIYAM ||

Satyam Roychowdhury Foundation's visionary CSR initiative, Adwitiyam, kindles the spark of knowledge in the lives of underprivileged children attending local schools. This noble endeavor bridges the educational chasm, presenting a comprehensive platform for holistic growth for these children. Adwitiyam fosters English speaking, computer training, and performing art. This transformative initiative makes the children confident unlocking a brighter future for India's most vulnerable. Along with training the children are provided sumptuous tiffin.

## SAVE TIGER PROJECT

Tigers are an important part of a balanced ecosystem; unfortunately illegal human activities have led to a drastic decline in their population in the recent times. Our children performed a short skit to uphold the theme "Don't be wild to tigers, help save them."
