October 2024

## Message from the Managing Director

Amidst all the vibrant hues of autumn - the sparkle of festivity in the air and the golden harvest under the bright sun, echo the immortal words of John Keats, from 'To Autumn'. This time of year is not only about reaping the bounty of the earth, but also about gathering the ripened fruits of our own inner wisdom, looking forward to the future opportunities and challenges.

Life is a journey, and what matters the most is how much we work hard to achieve what we dream of. I urge all of you to keep working hard, not just to achieve your dreams, but to become the best versions of yourselves. Keep investing and keep harvesting well. God bless you all.

## Value of the month- An Ode to Autumn

As India reaches a milestone of 200 GW in renewable energy in 2024, it's a moment to look back at the incredible achievements our country has accomplished. From becoming the world's fifth-largest economy to hosting a successful G20 Summit, to the Chandrayaan-3's historic landing near the Moon's south pole. We also celebrated big wins at the Oscars and saw our athletes bring home gold during the Asian Games .

These achievements bring us together as a nation. But while we celebrate, it's also time to look forward and think about what's next: a self-reliant, developed India where everyone has the opportunity to reach their full potential. The journey continues...

Our school celebrated the onset of Goddess Durga with great enthusiasm. Little kids dressed up as Durga and her children, while senior students highlighted "women empowerment" through an inspiring performance. The event concluded with a dynamic dhunuchi dance by parents and staff to the beat of traditional "Dhaker baddi." 🌸👧👦🌟

### TEACHERS ' DAY CELEBRATION:

Teachers' Day was joyfully celebrated on 5th September with a garlanding ceremony for Sri Sarvapalli Radhakrishnan, led by our Principal and Vice Principal. The event featured classical and musical dances, showcasing students' talents and bringing smiles to teachers' faces. ## || ADWITIYAM ||

Inspired by the honorable Satyam Roychoudhury, our diligent students organized a heartwarming "Adwitiyam" program. This time, 36 children joined us, and our ebullient kids extended their hands with activities in Spoken English, mathematics, science, computer lab visits, and drawing. The day began with an eye-catching Zumba session and concluded with a delightful film-watching session, bringing smiles and leaving a lasting impact on everyone involved. 🌟🇮🇳🇧🇩🎬

## ANTI POLLUTION DAY

Anti pollution Day was observed on 22nd October . The day started with a special assembly by Vivekananda House, where the students brought forward the necessity of maintaining a pollution free environment. They even made their voice louder by showcasing colourful and impactful posters. The entire school participated in this endeavour by drawing posters related to the theme. The toddlers made beautiful leaf arts in to show their support.
